Ky Accounting Firm Mountjoy Chilton Medley Nears Top 100 Status

Mountjoy Chilton Medley LLP (MCM), Kentucky's largest full-service accounting firm, was recently recognized nationally as the 105th largest accounting firm in the United States, based on net revenue as ranked by *INSIDE Public Accounting* (IPA).

The second annual ranking of 'Beyond the IPA 100' was released in the September issue of *INSIDE Public Accounting*, a national publication that has been analyzing and reporting on the accounting profession for over 30 years. Beyond the IPA Top 100 is the most up-to-date, published list available of this next tier of the nation's largest firms.

"We are honored to be recognized by Inside Public Accounting. The rankings we have achieved in the last year further confirm MCM's position in the market," said Co-Managing Partner Diane Medley. "The future holds a lot of opportunity for us," Medley stated.

This is the second time in 6 months that MCM has been recognized by a prominent national Accounting publication. In March 2011, *Accounting Today* ranked MCM the 9th largest firm in the Southeast Region, also naming them as a 'Firm to Watch'.
