BSBA in Accounting

Certified Public Accountant (CPA)

Kevin has more than 30 years of experience assisting clients in structuring multinational business transactions, acquisitions, dispositions, reorganizations, capital formation, financing, joint ventures formation, foreign tax credit planning, tax deferral strategies, repatriation planning and transfer pricing.

He is also a specialist in international tax strategies, serving multinational clients to determine near and long-term international tax planning needs and then deliver timely and innovative ideas for their consideration.

Kevin also has significant experience analyzing, designing, and implementing tax best practices. His indirect tax experience includes value-added tax (VAT) and goods & services taxes (GST), excise & customs duties, and employer related employee taxes.
