Construction Services

Mountjoy Chilton Medley LLP provides a team of specialists with in-depth knowledge of the construction industry to help closely-held business owners, contractors and suppliers meet their growth and profitability objectives. We provide timely and accurate financial information, act as a business liaison to ensure that your bank and bonding company's needs are met and proactively inform you of new tax strategies that can help minimize your tax liability.

MCM is proud to be one of only 75 accounting firms nationwide to be a member of Construction Industry CPAs and Consultants (CICPAC), whose members have specialized knowledge and training in the construction industry and provide high level services to some of the largest national, regional and local construction companies. We participate actively in the following organizations through membership, speaking and/or serving on boards:

- Associated Builders and Contractors, Kentuckiana and Ohio Valley Chapters
- Associated General Contractors
- Kentucky Association of Highway Contractors
- Construction Financial Management Association
- Surety Association of Kentucky
- Construction Real Estate Women
- Allied Construction Industries

We stay informed of initial issues that affect your business and industry to proactively determine how they might impact you. Let us help you plan ahead to anticipate and quickly respond to the industry, economic and regulatory changes you face.
